Gov. White Says Yes To Anti-Gambling Petition Judge Says No To Beat Four Dismissal Plea

Orders Joints Closed

Genin Alone In Act

Judge Luther Smith dismissed a motion in Hattiesburg yesterday to dissolve the injunction against the Hancock County Election Commission on the grounds that only one election commissioner asked for the dismissal.

Alvin Genin was the lone ranger of the commission. He was assisted in his efforts to dissolve the injunction by Supervisors Johnson Shaw, Jack Lott and Frank Kellar.

But Smith said no. For the injunction to be dissolved there had to be a majority of the election commissioners voting for its dissolution. And there

was only one. The injunction was issued 21 days ago and it forbade the election commission to kick 50 voters out of beat 4 and throw them into Beat 5. Recently Judge Dan Russell, Sr., was petitioned by Alvin Genin to dismiss the injunction but Judge Russell refused on the grounds that Genin did not have the authority to act.

And yesterday Judge Smith ruled likewise.

The commission, which also consists of Dan M. Russell, Jr. and Robert L. Genin has never met to discuss this matter. Genin acted on his own at the start but was later joined by three supervisors, Shaw, Lott and Kellar.

With four petitions in his hand, Earle Wingo, the attorney selected to represent Genin and his allies in the case, went to Hattiesburg.

The voters, who have filed a lawsuit, say the election commission cannot act until it is settled where also there. After two hours of legal discussion Judge Smith upheld Judge Russell's ruling that Genin did not have any authority to act as a single member of the election commission.

The affected voters in Beat Four have claimed and explained that the only reason they are being kicked out of their beat is because they don't vote right.

The issue made for a hot meeting of the Hancock County Board of Supervisors Monday. Lott introduced a motion asking the board to ratify the action he, Shaw and Kellar already had taken. Manny Hubbard and Chas. Russ, Jr., voted against this after some hot discussion. Hubbard also objected to Board Attorney Lucien Gex' part in the discussion.

So apparently the situation is this:

The Beat Four folks can't kick out of their beat at least until their suit is heard.

Ken Whitfield has been appointed area supervisor for the proposed United States Air Force Ground Observer Corps.

This area will take in all of Hancock and Pearl River Counties and part of Harrison and Forest counties, with the filter center in Mobile.

Whitfield said, "There is a great need for this corps in the South. We are far behind in this type of operation."

This corps will consist of volunteers. Fifteen posts will be set up throughout the area and Whitfield is trying to secure at least 100 volunteers for each post.

He said, "With this many at

each post a person will only have to devote about an hour a week. We are going to appoint a supervisor and chief observer for each post in the very near future. And also every volunteer will go to school and be taught the necessary things about plane detection and other important phases of this operation.

"We expect to be able to get started within a few months.

Members of both sexes are invited to participate in this program and become a volunteer observer in the Ground Corps. Each volunteer will be given a pair of Air Force Observer Wings."

Hardin Shattuck Installed As Rotary Head

Hardin Shattuck, manager of the R. E. A. was installed as the new president of the Bay St. Louis Rotary Club last week. He was given the gavel by Kenneth Whitfield last year's president.

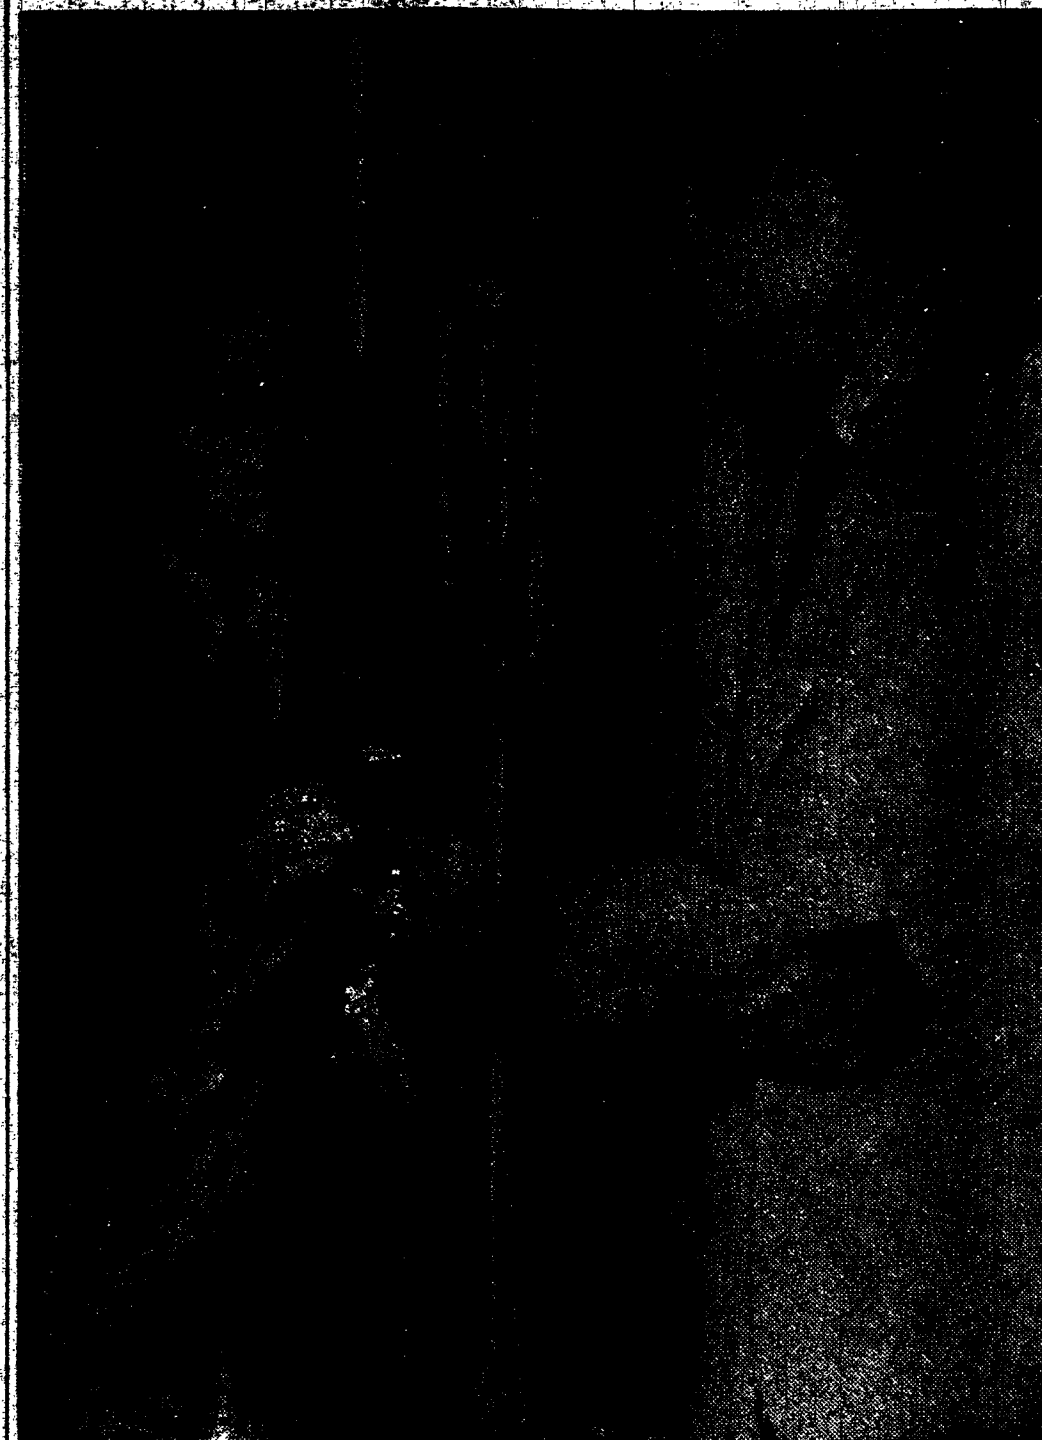

The installation ceremonies were held in the Reed Hotel and the night was proclaimed Ladies Night.

This is the 50th year of existence of the Rotary Club and the program, under the direction of Homer Gregory, was based on that theme. Each member of the club read a small paragraph telling of things that had taken place in the club in the past and also some explained the meaning of Rotary and told how it was formed.

Sandra Scafide, daughter of Mrs. Katie Scafide and the late Arthur Scafide, one of the originators of the local Rotary and its first secretary, entertained the group with her beautiful voice. She was accompanied by Alice Scafide, daughter of Mayor and Mrs. John Scafide.

President Shattuck presented past president Whitfield with a pen, signifying the year that he served as head of the club.

Howard LeTissier acted as Master of Ceremonies for the night.

OUR LADY OF THE GULF TO HOLD CHURCH FAIR 16 AND 17

Our Lady of the Gulf Catholic Church will hold its annual fair on the St. Stanislaus Day School grounds Saturday and Sunday.

There will be many varied booths set up by the Parish Fair association. Among the newest is the Mystery Postal Booth, which means just what the title implies.

It is a booth where foreign packages will be given away in some unique manner. The packages all come from friends as

of local ladies.

A spokesman for the Fair Association said, "No one knows just what the package contain and we will not know until they are won by someone at the fair."

There will be the country store booth, needlework booth, refreshment booths and many others.

Father Hugh Taylor is general chairman of the fair while Joseph Benvenuti, Jr., and V. J. Piazza are acting co-chairmen.

CHRIST EPISCOPAL CHURCH HOLDS CANVASS DINNER

More than 200 members and friends of Christ Church Episcopal Church attended a loyalty dinner Tuesday evening at the Bay-Waveland Yacht Club.

The dinner was held to acquaint the members and friends with the plans for a "Building For Christ" program the church hopes to undertake. H. B. Weston presided as chairman.

Henry Chapman related some very interesting incidents in the church history. George Lehlert outlined the needs for greater facilities created by tremendous growth in the past seven years under the leadership of Charles R. Johnson, the rector. During this time the church and Sunday school membership has increased 280 percent.

Together with this a Parish School was started in 1950, with 17 kindergarten students. This has now grown to five full elementary grades with the sixth grade to be added this fall.

Richard Shadoin told of the organization being set up to conduct a canvass of all families to raise funds to retire

mortgages on property purchased in 1951 and to expand the present facilities to meet the need for sound religious and academic training for the youth of today.

Ed. Porter, Jr., told how everyone could have a part in this great program.

All arrangements for the dinner and other meetings that will be held during the course of the canvass were handled by a group of ladies headed by Mrs. H. B. Weston.

Dr. Evans

In Hospital

Dr. James A. Evans is a patient in the Gulfport Memorial Hospital for a check up and treatment for an allergy.

Governor White, in a registered letter to Sheriff John Egloff, ordered that all gambling in Hancock County be closed down.

The chief executive of the State took this action after he had received a petition signed by some 600 Hancock residents asking that he close gambling down in this county.

Governor White said, "If gambling isn't closed down, I will take action. I will close it down."

Governor White told reporters that this move is "chiefly aimed at the Pines." The Pines is a very plush casino that is located in Pearlborough on Highway 90. It was closed down once before by orders of White when it operated under the name of the Oasis.

But since then the club has re-opened and has drawn a tremendous business from New Orleans and other locations in Louisiana.

Governor White emphatically stated, "This means the Pines is going to be closed as far as gambling is concerned." In this letter to Sheriff Egloff, White said, "There is no question as to the attitude of your citizens about such places as the Pines."

The top official of Mississippi told Egloff, that "if he needed men he would send some down to help him, but if it wasn't closed he would send the National Guard down to Hancock County."

Last week Governor White stated that if a petition was signed by 300 reputable citizens of Hancock asking that gambling be closed he would do so.

Monday the petition with the 600 names was placed on his desk.

Recently a committee of Protestant ministers approached Sheriff Egloff on the question. Egloff answered "the only thing I know about it is that some small keno games are being operated."

Sheriff Egloff was in Hattiesburg attending the election commission hearing and told reporters there that "I have not received any letter yet and would not have any comments until I do receive it."

WHO IS TELLING THE TRUTH?

Last week in a local newspaper a son-in-law of Ed. Ortte said I had lied. That Ed. Ortte was defeated in 1951 and not 1947 as I had stated at Flat Top. I admit I did make a mistake on the date of his defeat, but it was not intentional on my part. But I do question the statement that Ortte broke up the political organization that ruled the County and Politics.

On June 30th., 1955, also in a newspaper, Ed Ortte himself made this statement "As Supervisor for 12 years he proved his value by being a friend to all the people. He helped break the road contract, stopped bond issues, prevented the quandering of County funds and kept the taxes down, and took good care of his roads and bridges."

NOW LET US LOOK AT ED. ORTTE'S OFFICIAL RECORD ON TAXES

He says he cut taxes. But when Ed. Ortte went into office as supervisor on January 1st., 1940, the countywide millage was 43 mills. He was defeated in August, 1951 and when he left office in January, 1952, the millage was 53 1/2 mills. That is an increase of 10 one half mills. Is that the way Ortte cut taxes?

ON ROAD CONTRACT

The first year Ed. Ortte took office he voted to award the famous road contract to a private individual for \$27,000.00 a year for a four-year period.

On the first of January, 1944, he seconded the motion to again award this contract to the same individual for the sum of \$83,000.00 per year, for a four-year period. One member of the Board of Supervisors voted against it, but that member was not Ed. Ortte. On June 23, 1944, a member of the board of supervisors NOT Ortte, made a motion for the county not to pay the road contractor for his road contract because "he failed to comply with his contract and the roads were in such bad condition the public had to abandon one of them." In March, 1945, Ortte AGAIN VOTED TO PAY CLAIMS for the road contract. One member voted no, but the road contract. One member voted no, but it was not Ortte. In October, 1945, it was again brought to the attention of the board of supervisors that the road contractor was using

county tools and road equipment for his personal gain and when county officers requested the property to be returned the contractor refused to deliver them to the county. Some of the County's equipment was moved out of the county for the contractor's personal gain. This same supervisor made a motion not to pay the contractor \$27,500.00 per month due on his road contract, and to hold claim until November meeting. Ortte did, at last, second this motion. On November 5th, 1945 Ortte moved the contractor be paid for the work performed up to date, but to cancel his contract as of November 1, 1945. The contractor also agreed to this cancellation. But how long did it take Ortte to move? It took approximately six years. He went along with vote after vote.

...SQ UANDERING OF COUNTY FUNDS

During Ed Ortte's service as supervisor a dredge boat was purchased for \$64,000.00 in September, 1940. In March, 1949, it was sold for \$8100.00, a loss to the county of \$55,900.00 and no sand beaches were dredged up during the time the county owned it.

HE TOOK CARE OF HIS ROADS AND AND BRIDGES

How many roads did he blacktop from County funds? Ask him. And don't let him count the ones black-topped with state highway department and WPA funds.

THAT IS THE RECORD

Ed. Ortte can use words and can put words in the mouth of his stooges. He can say he broke up the political organization that ruled county and city politics. What did he do? Yes Ed. Ortte can use words, but he can not lick the record.

His record is in the courthouse, in the minutes of the Board of Supervisors. Does the record lie, Mr. Ortte?

It is not my intention of getting in any mud throwing contest with Mr. Ortte or any other candidate for Sheriff and Tax Collector. I am satisfied to risk my record of public service, as my qualifications for Sheriff and Tax Collector and will be glad to compare it with the record of any of my opponents.

Vote for Sylvan J. Ladner, Jr., for Sheriff and Tax Collector of Hancock County.

U MUST VOTE FOR 2

As you all know and understand when you vote on August 2 in the Democratic Primary you have to cast a vote for two candidates in the Beat Five Justice of the Peace race.

This is a must. If you don't your vote will not be valid.

As you also know I am a candidate for this office and naturally when I tossed my hat into the ring I did so with aspirations of gaining this position. But just as natural as that, I know I can't win unless you the voters of Beat 5 want me to serve you in this capacity.

Unless you feel that my qualifications warrant me this chance I will be nothing but another unsuccessful political candidate.

It is with these thoughts in mind that I humbly ask you to support me for the office of Justice of the Peace.

I truly feel that I am qualified to hold this job.

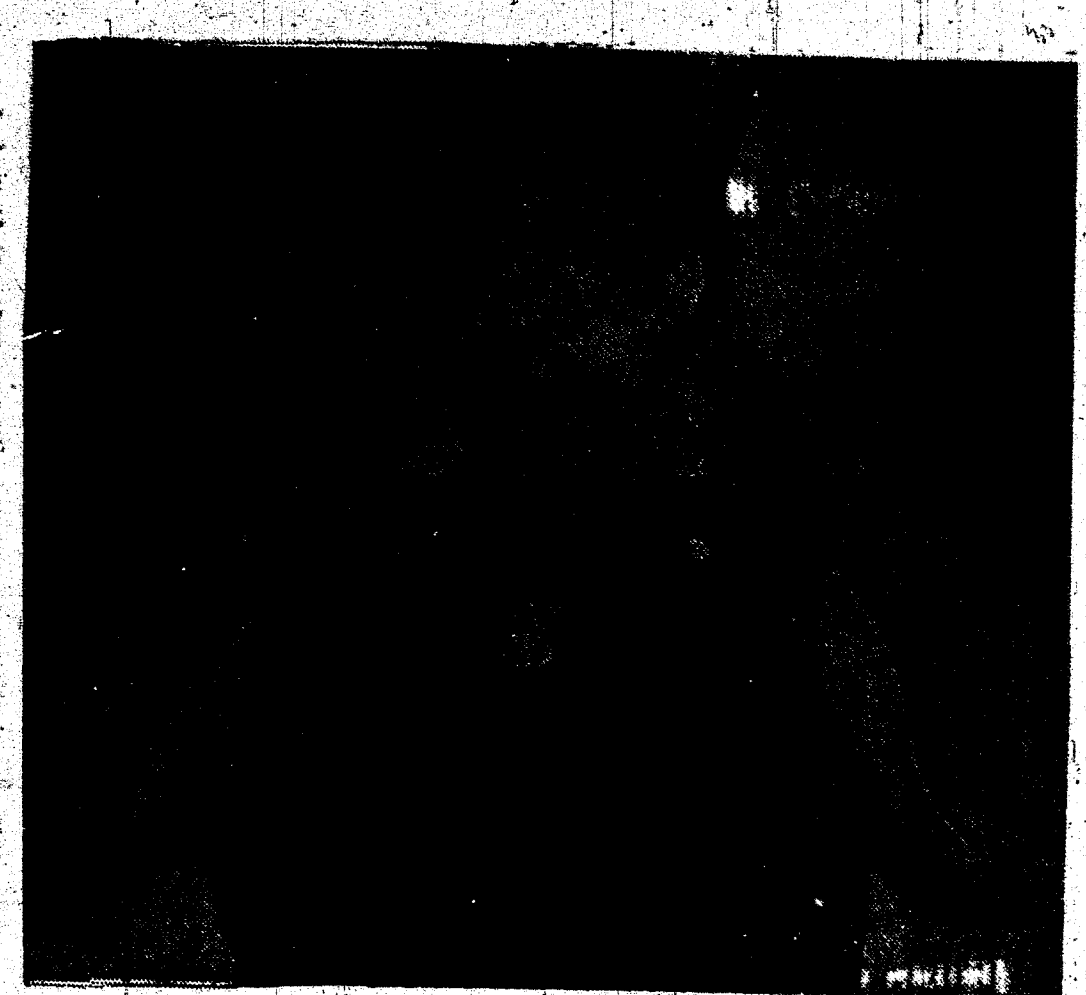

I want to present to you a resume of my platform.

I am an independent, now and will be independent if I am elected. My thoughts and my actions will always be independent and they will not be governed or used as a puppet on a string.

I will work to build Hancock County and entice visitors to stay in our county not to leave with a bitter taste in their mouths and therefore my records

I will work for and with our youth. They are the tomorrow of our county and nation and they deserve first rate attention. I feel that as a woman I am best qualified to understand our youngsters and to give them the guidance they need in time to of their tribulations.

I will leave the doors of my courtroom open to the public at all times. I shall never have anything to hide from you and therefore my records

our Democratic way of life and in my court a person shall never be found guilty until he is proven guilty.

I feel that I am competent and qualified for the position I seek and that a vote for me will be a vote for honesty.

So I ask you to please consider my candidacy and on August 2 make Bea Georgi one of your choices in the Beat Five Justice of the Peace race.

"ORTTE MADE A GOOD SUPERVISOR-ORTTE WILL MAKE A GOOD SHERIFF."

"THE BALLET OF ED P. ORTTE" by NORVIN KELLY
Many people, especially children, have requested the words to this Little Ballet, so I am taking this means to comply with their wishes.
Listen while we tell you about a man we know
He came to this County and helped make it grow
He was board of supervisor for twelve long years
Bringing people happiness instead of tears.
Ortte, Ed P. Ortte for Sheriff he is bound
Ortte, Ed P. Ortte he'll never let us down.

It was way back yonder in nineteen forty
When the people got together and elected Ortte
And from that time on the fun began
As he kept the politicians on the run
He stopped all bond issues and lowered the debt
If it wasn't for Ortte we'd be paying it yet
There was a county contract to maintain the roads
And from the gravel pit they dumped many many loads
Thirty seven thousand dollars was the yearly amount
But all the added extras you couldn't keep count
They let the roads go and ran up the debt
That old county contract we won't ever forget
Ed Ortte kept fighting and in forty six
He was getting the county in a much better fix
With the help of board members they broke the contract
And to the good people they gave the county back.
Ortte, Ed P. Ortte for Sheriff he is bound
Ortte, Ed P. Ortte he'll never let us down.

He stopped bond issues and reduced the county debt
He kept the taxes down a fact we won't forget
He worked to help the people, a job he done well
So for our good friend Ortte let's shout and yell
Ortte, Ed P. Ortte for Sheriff he is bound
Ortte, Ed P. Ortte he'll never let us down.

So let's make him Sheriff and about three cheers
We won't have to wait for the next four years
So vote for Ed P. Ortte on election day
And join everybody as you hear these say
Ortte, Ed P. Ortte for Sheriff he is bound
Ortte, Ed P. Ortte he'll never let us down.

Mauffray Granddaughter Weds Recently

The marriage of Miss Margaret Ann Mauffray, daughter of Mr. and Mrs. Ludger Joseph Mauffray of New Orleans and granddaughter of Mrs. Joseph O. Mauffray and the late Mr. Mauffray of Bay St. Louis, and Michael Stephen Brzezinski, Jr., Lieutenant, United States Air Force, son of Mr. Michael S. Brzezinski,

Sr., of Cristobal, Canal Zone, and the late Lucille Pic Brzezinski, was recently solemnized at Nuptial Mass at Our Lady of Lourdes Church in New Orleans, the Reverend George A. Herbert officiating. Mrs. A. Rudolfo was organist, and Mrs. Nolan Kammer, vocalist.

The bride was given in mar-

riage by her father. She wore a gown of ice blue tulle and white Chantilly lace over white taffeta, featuring a stand-away scalloped neckline, tiny wedding buttons down back of bodice and long fitted sleeves with point at wrist; long full skirt of tulle and lace fanned into a train. Her fingertip veil of ice blue illusion was attached by coronet of pearls. Her bouquet was of stephanotis and white orchids.

Miss Rita Vetter was maid of honor. Bridesmaids were Miss Ruth Vetter and Misses Jean and Sue Mauffray, sisters of the bride. Their dresses were of blue tulle over taffeta, with fitted bodice, full skirt, and lace bolero. Their headpieces were little bandeaus of blue tulle and they carried sprays of Bird of Paradise.

Mr. Calvin Frank acted as best man. The groomsmen

were Vincent Tusa, Norbert Delth, and Walter Guillot. The ushers were Mr. Cyril Pic, uncle of the groom, and Mr. Cyril Winter, uncle of the bride. The color scheme was carried throughout, the altar was beautifully adorned with white gladioli, tiny white Chrysanthemums and blue stock, while the four-tiered wedding cake had a faint touch of blue in the roses.

A reception was held immediately following the ceremony.

The bride's mother wore a dress of blue linen, embroidered in white, white accessories, and an orchid corsage. The groom's aunt wore a dress of pink linen, embroidered in duobonnet, white accessories, and an orchid corsage.

For travel, the bride wore a two-piece aqua cotton suit, with large collar and cuffs and tiny green pearl buttons.

Mrs. Joe Pernicelli had a real treat this week when her cousin Mrs. Tony Nasti of New York came for a visit. This is the first time the two have seen each other in 42 years so there was more than the usual family chit-chat to catch up.

The Library Board will concern itself beginning this month with a program of in-

down the front of the jacket, beige accessories, and white orchid corsage.

After a wedding trip to the Smoky Mountains, the young couple left for Laredo, Texas, where the groom is stationed with the U. S. Air Force as Jet Pilot Instructor.

The bride attended St. Mary's Dominican High School and Loyola University (Evening Division). The groom attended Cristobal High School, St. Aloysius High School and Tulane University.

Out of town guests included Mrs. Joseph O. Mauffray, Miss Elsa Mauffray, and Mrs. Alden L. Mauffray, Bay St. Louis, Miss. Mr. and Mrs. C. G. Garner and daughters, Gail and Janet, Laurel, Miss., and Mr. Warren Seely, Pascagoula, Miss. Mr. Calvin Frank, Mr. Walter Guillot, Louisville, Kentucky.

Mrs. A. G. Kuratits and Mrs. L. R. Laurel left this past week for New York where they'll visit friends. The two are expected back about the middle of July.

was a commercial artist in Chicago, was brought to the family home in Water Valley for burial.

More Money In Your Pockets...

Fielding Wright's Plan To Raise The Income Of Every Mississippian

How can we raise the income of all Mississippians... How can we raise the money to provide all the things our State needs... and still not raise taxes?

Fielding Wright's Development Program For Agriculture and Industry Is The Answer. It Will...

1. Increase The Income Of All Mississippians
2. Increase Our Cash Farm Income
3. Bring About The Construction Of Home-Owned Processing And Manufacturing Plants Throughout The State, And Thereby...
 - Provide more payroll dollars, to swell the volume of retail and wholesale trade in our State, and
 - Provide bigger and more stable markets, for the wealth of agricultural products which our farmers are capable of producing if they are assured adequate and profitable markets. And then, with additional millions of dollars in the pockets of all Mississippians, and with millions of new dollars passing every year through the channels of trade in our State, we can:
4. Do far more for our common schools.
5. Provide far better salaries for our teachers.
6. Provide more money for our sick and aged and for health and guidance services for our children.
7. Provide more money for our colleges and universities.
8. Build more and better rural roads and main highways.
9. Meet the financial needs of our municipalities.
10. Provide all our people with the governmental services they need—in the amounts and up to the quality already enjoyed by many other states in this Nation.

AND WE CAN DO IT ALL WITH FIELDING WRIGHT'S PLAN—WITH-OUT RAISING TAXES!

HOW FIELDING WRIGHT'S PLAN WILL WORK—

Every county will be surveyed to determine what plants are needed. A Revolving Fund of at least \$10,000,000 will be created by private industry in Mississippi to provide for some ownership of new plants. Once a community has issued bonds for a site and building for a new industry—as is now done under the present EAWI law—in order to have home ownership of the industry, they must raise by stock subscription 50% of the money needed to equip and operate the plant. The Revolving Fund will provide the other 50%. If enough private funds are not available, the Revolving Fund will match the local community's part on a State loan basis. Local citizens can take all the stock at the beginning, if they are able

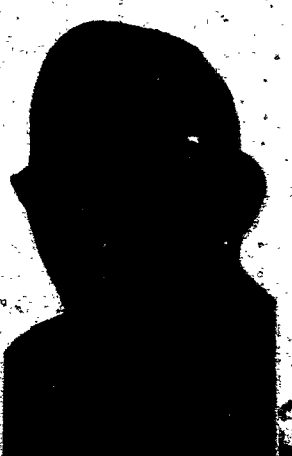

to do so, or they can buy up any portion held by the Revolving Fund at any time they want to.

We will also intensify our efforts to attract out-of-state industries, and under Fielding Wright's program increased port and river trade and tourist activity will provide access to markets and additional trade volume for Mississippi. Based on conservative estimates, Fielding Wright's program, by increasing our income just to the average of other Southern states, will bring Mississippians \$670,000,000 more annual income and our state \$50,000,000 additional yearly revenue from the sales tax alone!

A Letter

The following letter was received this week by the Sea Coast Echo:

Hattiesburg, Miss.
July 8th, 1955

Editor
The Sea-Coast Echo
Bay St. Louis, Mississippi

Dear Sir:

I am the attorney for Mr. Alvin Genin, one of the election commissioners for Hancock County, and also the attorney for Messrs. Johnson Shaw, Frank Keller and Jack Loft, three of the members of the Board of Supervisors of that same county.

As their attorney, I recently filed a motion to dissolve a temporary injunction which had been issued by Judge D. M. Russell, without notice, wherein the election commissioners were enjoined from carrying out the order of the Board of Supervisors respecting the changing of the beat lines in beats four and five of Hancock County.

This morning I was handed a copy of your paper of July 7th wherein in bold black headlines you sought to belittle the efforts of my clients for seeking redress through the courts of our State, by having the temporary injunction which was issued without notice, set aside as being of no effect.

I notice in the article you repeatedly refer to what you consider an effort on the part of the my clients to "kick out" about fifty voters from beat four into beat five; and you quote unknown persons as saying that the voters in beat four were claiming that they were being kicked into beat five only because they didn't vote right. None of the pleading reflects any such absurd statements. You further inject your own opinion that it is highly unlikely the people of beat four will be kicked out of their beat in time for the August 2nd primary.

It is apparent that you have not acquainted yourself with the facts, but have jumped at conclusions which reflect a deal of ignorance on your part.

It is always pitiful to me to witness a few scattered editors over the state undertaking to prejudice the public mind in respect to matters pending before the courts of our state. Such a display of poor judgment and illiterate deductions borders closely to contempt of court.

It is unfortunate that in your haste to poison the public mind you neglected to become properly informed as to the facts all as set forth by the pleadings in this proceeding. I do not know what click or clan you seek to serve in your derogatory remarks, and I care less. I cannot, however, refrain from stating very frankly to you that your entire article was highly discolored, unfounded in fact, fly-specked with prejudice, and written in a vein of illiterate deductions.

I have no inclination to get into a controversy with you over this matter, but am entirely willing to let it be settled through the courts of our state. But I do feel that you have presented a pitiful spectacle by popping off in an attempt to portray unjustified anger, predicated upon misinformation, illiterate conclusions and wholesale misrepresentations.

I had better stop now before I reveal my contempt for such poor journalism.

Respectfully yours,
Earle J. Wingo.

Dear Mr. Wingo:

Obviously you are new on this four-year old case. Also obviously you must see your clients' side of the problem because that is, after all, your job.

But if you have any doubts about what those 50-odd voters think, don't argue with us or take our word for it. Ask them. These voters will be happy to meet with you personally and explain their stand. Are you prepared to hear them?

If you are sincerely interested, investigate the case from the human side—from the side of the voters. You can call us all the names you like. We don't mind.

You say we are "illiterate." Maybe we are. You are very illiterate. In your entire letter, there was only one word spelled wrong. (You meant "clique," not "click.")

Sincerely,
The Editor.

No wonder this great '55 Pontiac is setting all-time sales records!

It's bigger, smarter and more powerful than any other car at anything like the price!

A sales success like Pontiac's starts on the drawing boards—with engineers and designers who have been schooled for years in the Pontiac idea of giving more people more car for less money. With its long 122" or 124" wheelbase and extra, big-car hefty, Pontiac provides road-hugging comfort you get in no other car near it in price! Now take this big, roomy car and surround it with the distinction of Twin-Streak styling and Vogue Two-Toning—beauty that obviously is calling the turn on the future—and you have another reason for Pontiac's phenomenal sales success. That alone would be enough for most cars—but not for Pontiac! Pontiac corners the market on value with the most powerful engine within hundreds of dollars of its price. The sensational 200-horsepower

Strato-Streak V-8 with four-barrel carburetor* is the most modern power you can buy. You're on even terms with anything on the road—and you enjoy the greatest economy and dependability in Pontiac history. If by now you're thinking "This is what I've wanted all along!", we suggest you stop in and talk dollars and cents. That's when you'll get the final reason for Pontiac's record popularity—the fact that you can fit a big, powerful, future-fashioned Pontiac into any new-car budget! You'll never find it easier to get into the fine-car class than right now! *Low extra cost option

When Jay Warner is elected sheriff of this county, things will be different.

The gambling joints will pay off something to help the poor. I'm not going to rob anybody. But I am going to see to it that the poor people of this county are

taken care of. I am going to see to it that the fellows with the "big takes" give some of that back to aid those who are in need.

I am going to be a fair sheriff. The colored people of this county will get their fair break. They will know they have a friend - just as all the poor people of the county will know they have a friend when Jay Warner takes the oath of office as sheriff.
